REPORT.

THE Committee have much pleasure in presenting their Annual Report for 1927, together with the Accounts, which have been duly audited by the Hon. Auditors, Messrs. Cooper & Cooper, to whom they tender their best thanks.

This has been the first complete year of working the fully equipped and enlarged Hospital of 15 beds, which we were able to reconstruct in 1926 owing to the generosity of numerous subscribers, donors and helpers, and loans of money free of interest by several local factories.

The number of patients admitted in the year was 203, and 197 cases were treated to completion. The average period of treatment was 13·8 days and the expense for each patient £3 8s. 6*d.* per week.

Six major and 26 minor operations were performed, as well as 47 for tonsils and adenoids.

The Committee desire to tender their best thanks to :—

The Hon. Surgeons and Hon. Medical Officers for their valuable services during the year.

The Hospital Saturday Fund, Alexandra Day and the League of Mercy for their grants.

The Clergy and all who have helped with Congregational Collections.

The Annual Subscribers, Donors, Collectors, Box Holders and all who have in any way assisted the Hospital.

The Ladies of the House Committee for their valuable work.

The Organisers of, and the Contributors to, the Workmen's Collections of the Gramophone Co., Ltd., for their exceedingly generous contribution of no less than £326 2s. 9*d.*

To the Post Office Staff for their Collection amounting to £2 10s.

The Special Efforts Committee, whose work brought in £125 18s. 8*d*.

The Ballot Committee, whose efforts produced the amount of £18 18s. 3*d*.

The Organisers of the Northolt Flower Show for their generous Donation of £40.

The Organisers of the Christmas Dinner Table Collection.

The Hospital Savings Association and the Approved Societies for their prompt and generous payments.

The R.A.O.B. and all other Societies and Clubs who have helped.

The Matron and Staff for their valuable services.

In view of the additional necessary cost of completing the extension and equipment of the Hospital, the Committee have transferred £64 from the General Fund to the Building Fund, but it is expected that arrangements will be made in 1928 to set aside a proportion of the ordinary Income for the purpose of reducing the six outstanding loans free of interest granted by local Factories in 1926.
